DESIGNING THE GREAT OUTDOORS

Today's home extends beyond interior rooms, bringing fashion, form and function to outdoor spaces. Dressing up patios, gardens, poolside gathering spots and backyard relaxation areas with durable, weather resistant accessories is the hottest decorating trend among home owners across the country. Known for combining fresh style with unique fiber and construction technology, Couristan's full assortment of outdoor/indoor area rugs are made with the finest 100% Courtron™ polypropylene and are mold and mildew resistant as well as ultraviolet (UV) stabilized for longer color retention. Unlike traditional indoor floor covering products that contain jute in their backing, Couristan's outdoor/indoor performance collections have a 100% Courtron™ polypropylene backing which makes them completely water resistant.

Attractive enough to be used inside, yet sturdy enough to withstand outdoor elements, Couristan's Afuera, Cape, Charm, Cottages*, Covington, Dolce, Everhome™, Monaco, Monte Carlo, Naturalistic™, Outdoor Escape and Recife Collections all feature limitless versatility and casual-chic appeal. From the front door to the backyard, these charming floor fashions are an easy way to add warmth and a welcoming aesthetic to your entire house.

With an endless array of color, texture and design options, Couristan can fulfill any decorating need. So get set to 'floor' your neighbors with an outdoor oasis that is all your own. To help you get started, here's a snapshot of Couristan's most popular looks perfect for year-round enjoyment.

*PLEASE NOTE: THE COTTAGES COLLECTION IS MADE OF 100% PET
(HIGH CONTENT RECYCLED MATERIALS USED)

FEATURED ON COVER:
