# TUFTED NYLON PRINT SERIES

Offering an eclectic range of color combinations and a diverse mix of patterns to choose from, Couristan presents a series of tufted nylon print carpets that were designed to satisfy even the most discriminating tastes. Whether its cityscape, ultra-modern or country charm as your preference, the visual interests captured in this versatile series of carpets can easily pay respect to the most traditional interiors, while lending an extra sense of style to the functionality of today's modern décor.

Each of the fifteen patterns offered in this series incorporates the very best in today's floor covering fashions and color trends, allowing for the flexibility needed, and providing you with the ultimate range of design elements to bring your interior of choice to life. Tufted of 100% nylon for superb resiliency, abrasion and color retention as well as durability, these printed carpets are stocked in a 13'2" width and can be utilized for residential, commercial and hospitality installations. In addition to showing color brilliantly, nylon offers a soft hand, cleans well and is resistant to matting and wear. Generally good for all traffic areas, nylon withstands the weight and movement of furniture and has excellent performance attributes in all types of constructions.

From traditional lattice patterns to architecturally-inspired geometrics and animal prints, the inviting color combinations and unique versatility offered within this series of nylon printed carpets will allow you to address the decorating needs of today's most fashionable interiors.
